Psychologist (Supervisor)

Liberty Healthcare's residential sex offender treatment program in Illinois

Psychologists who have supervisory experience and an interest in the forensic mental health field are encouraged to consider an outstanding career opportunity with Liberty Healthcare Corporation.

Due to continued program growth, Liberty Healthcare is hiring for multiple newly-created "Team Leader" positions at the Illinois Department of Human Services Treatment & Detention Facility (TDF).

The TDF is a state-of-the-art secure residential treatment facility which provides a wide array of mental health services to over 500 detained and civilly committed adult sexual offenders.

Clinical services at the facility are provided by Liberty Healthcare's dedicated and talented team which is comprised of over thirty Psychologists, Clinical Social Workers, Counselors, Psychiatrists and Recreation Therapists.

The TDF is located in Rushville, Illinois. Situated in west central Illinois, Rushville is commutable from Macomb (home of Western Illinois University) and Springfield (the State Capital). Chicago, St. Louis, Indianapolis and the Quad Cities are all within a few hours drive.

Team Leaders at the TDF enjoy a mix of clinical and supervisory responsibilities, including:

- Supervising staff-level clinicians (Psychologists, Counselors and Clinical Social Workers)
- Serving as the leader of a multi-disciplinary treatment team
- Functioning as a member of the management team
- Administering various general and sex offender specific assessments
- Developing individualized treatment plans
- Delivering individual and group therapy services
- Ensuring residents receive high quality care

As a Team Leader and employee of Liberty Healthcare you can expect:

- Competitive annual salary which is based on your qualifications
- Well-rounded benefits package including health insurance and 401k
- 6 weeks of paid time off annually
- Option to work a 4-day compressed workweek
- Opportunity to work alongside a talented team of dedicated clinicians within a well-refined research-based treatment program
- Financial assistance with interview travel and relocation assistance

Ideally-qualified candidates for the Team Leader position will possess these attributes:

- Professional licensure as a Psychologist in Illinois (or willing and eligible to apply)
- Minimum of two years of experience providing sex offender specific treatment or other forensic mental health services
- Previous supervisory experience
- Knowledge of appropriate assessment tools and treatment modalities for sex offenders

Dedicated behavioral health professionals who are interested in working alongside a talented team of clinical professionals and contributing to a treatment program which enhances community safety are encouraged to apply.
