**401 (k) plan** Employees are encouraged to take an active role in their retirement planning by participating in Liberty Healthcare Corporation’s savings plan through *Fidelity Investments*. Participants may choose among an array of investment options – or simply opt into an age-based “Lifecycle Fund.” 401 (k) contributions are made automatically in each pay period and the amount may be increased or decreased at any time at the employee’s discretion. Employees are immediately vested in the plan as matching funds are not offered by Liberty. Employees may manage their 401 (k) account through Fidelity’s user-friendly website and access customer support by phone. New employees may begin contributing to their 401(k), ninety days following the commencement of employment.
